

Utah Department of Environmental Quality

Employee COVID-19 Pre-Screening Questionnaire

DEQ is implementing precautionary measures to ensure the health, safety and well-being of our employees and the regulated community.

DEQ employees who plan to conduct an inspection, field work or a facility site visit must work with their manager to complete this questionnaire daily before leaving their primary work location. This information will be maintained by DEQ.

Employee Name: _____ Date: _____

Name of person completing the questionnaire: _____

| Questions | Yes | No |
|---|-----|----|
| Have you tested positive for COVID-19? | | |
| Have you had a fever greater than 100.4°F, a new or worsening cough or shortness of breath within the last 24 hours? | | |
| To the best of your knowledge, have you been in close contact with an individual that had a fever, cough or shortness of breath, or tested positive for COVID-19 within the past 14 days? | | |
| Have you returned from a country with a Level III Travel Notice within the last 14 days? (currently: Australia, Brazil, Canada, Chile, China, Europe, Iran, Ireland, Israel, Japan, Malaysia, Pakistan, South Korea, Thailand, Turkey, and the United Kingdom) | | |
| Have you returned from a cruise ship in the previous 14 days? | | |
| To the best of your knowledge, have you been in close contact with anyone who has returned from a country with a Level III Travel Notice or a cruise ship within the last 14 days? | | |

*Close contact is defined as being within 6 feet of another individual

If any of the answers are “yes” to the above questions, you will need to reschedule or conduct your work remotely with facility personnel.

If all of the answers are “no” to the above questions, employees may proceed with their inspection/field work/site visit for that day. DEQ Managers must retain a copy of this form until further notice.
